

Upgrade the Guest Experience with InProximity

A smarter way to serve today's travelers—fast, private, and hyper-local.

Why Your Hotel Needs InProximity

Guests today want quick answers—without the hassle of apps, searches, or directions. With InProximity, your front desk becomes an instant, tap-and-go concierge. Guests simply tap their phone on our smart display and instantly discover food, coffee, retail, and services nearby—all without asking your staff or sharing their data. It's convenience at their fingertips. And peace of mind for you.

✦ Top Benefits for Your Hotel

- **Enhances Guest Satisfaction**
- Meet your guests' needs without them asking—food, fun, fast.
- **Reduces Front Desk Load**
- Fewer “Where can I eat?” questions = more time for high-touch service.
- **Elevates Your Brand**
- Offer tech-forward, privacy-safe amenities that set you apart from competitors.
- **No Tech Headaches**
- No integration. No Wi-Fi required. Plug-and-go display, ready on Day One.
- **Revenue-Ready**
- Guests can access special offers, promotions, and local coupons—all from your lobby.

Why InProximity Stands Out

- ✗ No downloads needed – Works instantly with a simple tap
- ✗ No GPS or permissions required – Guest privacy is always respected
- 🕒 Finds results in under 15 seconds – Fast, intuitive, frustration-free
- 🔒 Privacy-first design – No tracking, no data collection
- 📍 Local listings tied to your hotel – Hyper-relevant, walkable choices
- ✅ Built-in deals and coupons – Guests save before they go
- 👉 Tap-and-go simplicity – No typing, no maps, just results

inProximity

"WHERE CAN I EAT NEAR HERE?"

DISCOVER HOW
INPROXIMITY SOLVES
THE #1 QUESTION
TRAVELERS ASK—
INSTANTLY.

InProximity makes travel dining simple, fast, and secure. With just a tap, you can instantly discover food, drinks, and services within walking distance of your hotel—*no typing, no downloads, no hassle*. Designed for frictionless access, **InProximity eliminates the need for maps or app installs, delivering results in under 15 seconds.** It's private by design, never asking for GPS permissions or tracking your data—because your phone should remain your business. Plus, deals and coupons are built right in—just ask and you'll save before you even leave the lobby. As one satisfied traveler put it, "We'd love to stay and chat—but hunger calls. InProximity, you're the best!" So go ahead—skip the search, tap in, and eat now.

THIS OR THAT?

inProximity
